

2nd Grade Summer Reading

Read both a fiction and a nonfiction book from the list below, or challenge yourself, and read all four!

- 1) Second Grade Rules, Amber Brown by Paula Danziger
- 2) Schools Around the World by Brenna Maloney
- 3) The Magic Finger by Roald Dahl
- 4) National Geographic Kids: Dinosaurs by Kathleen Weidner Zoehfeld

These are not the only books your child can read over the summer. Please keep him/her reading as much as possible. Visit the library or read books you already have at home! The more they read, the better they will become at reading!

2nd Grade Readiness

Here are some skills that rising 2nd-graders are expected to know.

Math

- Fluently add doubles facts to 20
- Fluently add and subtract to 10
- Count by 10s, 5s, and 2s
